

The chart displays the distribution of 'class' for four donors across six categories. The y-axis represents the frequency, ranging from 0 to 6. The x-axis represents the categories, labeled 1 through 6. Donor3 (red) has the highest frequency in the second category (5), while Donor4 (blue) has the highest frequency in the third category (5). Donor2 (green) has a frequency of 1 in the first category. Donor5 (purple) has a frequency of 1 in the sixth category.

Category	Donor2 (green)	Donor3 (red)	Donor4 (blue)	Donor5 (purple)
1	1	0	0	0
2	0	5	0	0
3	0	0	5	0
4	0	0	0	0
5	0	0	0	0
6	0	0	0	1
