Genus

- |                       |
|-----------------------|
| Enterococcus          |
| Ligilactobacillus     |
| Phocaeicola           |
| Bifidobacterium       |
| Staphylococcus        |
| Faecalibaculum        |
| Dubosiella            |
| Serratia              |
| Olsenella             |
| Parafannyhessea       |
| Alistipes             |
| Turicimonas           |
| Bacteroides           |
| Parasutterella        |
| Ihubacter             |
| Mammaliicoccus        |
| Lactobacillus         |
| Lachnospiraceae_[G-3] |
| Gluciribacter         |
| Muribaculaceae_[G-1]  |
| Faecalicatena         |
| Turcibacter           |
| Lachnospiraceae_[G-2] |
| Adlercreutzia         |
| Duncanella            |
| Other                 |
